

Dear President Weisskopf,

Please review and distribute the attached advertisement to your retired and active members in the Chicago metropolitan area as well as other cities in which your retirees live that have NFL teams (I am looking for at least fifty [50] to one-hundred [100] people for these positions in each area). The advertisement is from Safe Ride Solutions (SRS); a well established and respected **designated driver** and **DUI prevention service**. SRS is conducting a special program in cooperation with the National Football League (NFL) to provide designated drivers for NFL players (Note: this position **DOES NOT** involve the exercise of police powers nor does it entail acting as a bodyguard/taxi/security service to the client[s]. If your retired members are HR 218 qualified, they can carry their pistols pursuant to their concealed weapons permits but they are reminded that this is not a bodyguard/security service.). The client provides the vehicle for transportation to and from the entertainment venue (in terms of liability, the individual NFL player is responsible for maintaining insurance on his vehicle and the driver is indemnified by SRS). Once the NFL player is dropped off at his domicile, the driver calls SRS and s/he will be ferried to their vehicle. Pay rates start at \$30 per hour for a minimum of six (6) hours.

In order to apply and for more information, please visit our website at <http://www.callsrs.com> or <http://www.saferidesolutions.net> and go to the "Employment" section of the website for our web-based employment application. No resumes are necessary nor will they be accepted unless specifically asked for by the company.

If you have any further questions, please contact Mr. Jerry Hara via email at JerryHara@SafeRideSolutions.net. Mr. Hara is also your point of contact for any agency required forms for off-duty employment should any of your active membership be interested in this opportunity.

Thank you for your time and assistance.

Sincerely,
